PROJECT REVIEW COMMITTEE

12 May 1952

RECORD OF ACTION

25X1A6a SUBJECT: OSO Logistical and Operational Support Facilities [redacted]

At its adjourned session on 12 May 1952, the Project Review Committee disapproved the project submitted for OSO Logistical and Operational Support Facilities in [redacted] and required that the question of stockpiling equipment for post D-Day use be thoroughly restudied as to principle and within the broad framework of meeting total CIA requirements. It was suggested that this stockpiling study should be made in consultation with all interested parts of the Agency and should be based on the principle that improvisation rather than full equipment should be the order of the day in such planning. It was further suggested that any such plans should be carefully worked into the [redacted]
